

Lighting

AquaBeam 600 Ultima

Solid state aquarium lighting strip.

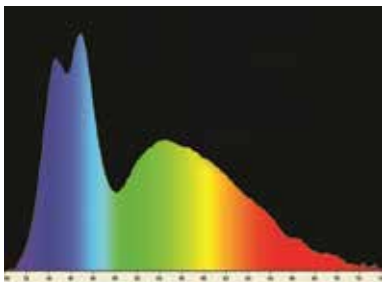

- Sleek design.
- More LEDs for enhanced light spread.
- Wide angle beam.
- Uses Cree®LED technology.
- Fully controllable [controllers sold separately].
- Low power consumption and low running costs.
- Long life.
- Wide range of mounting options available using the Modular Mounting System.
- Hand built in the UK.

AquaBeam 600 Ultima
