

Dry Rock

EcoReef

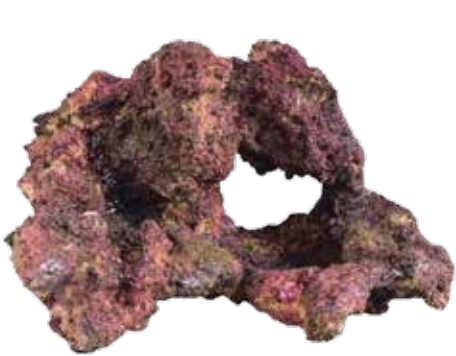

Made exclusively for Tropical Marine Centre from natural materials.

- Looks as good as the real thing and creates a reefscape in minutes.
- An amazing looking alternative to real live reef rock.
- This incredibly light alternative is pH neutral and provides excellent bacterial loading.
- The perfect solution for marine reef aquariums, but can also be used for Malawi and Cichlid aquaria.
- Hand made from naturally occurring land materials that will not leach nitrates and phosphates.
- The realistic solution for a natural look.
